"The Splash!"

18th September 2009

Welcome to the first edition of "The Splash" online!

www.school-portal.co.uk

SCHOOL NEWS

The Infant department would be glad of spare **socks/tights** for the children to make use of in the event that they get wet/muddy at playtime.

Would parents please not bring **dogs** into the school grounds.

The office has some new and unused **printer cartridges** for HP Laserjet (2550, 2820, 2840) in black and yellow, (but unfortunately no printer in which to use them). If anyone can make use of them, for a donation towards School funds, please ask at the Office.

Year 6 parents: The Head of **Chailey School** is coming to meet the children and their parents on Friday 25th September from 3 – 4pm in the hall.

Due to demand, a third **cycling proficiency** course for Year 6 has been arranged for the week of March 15th.

Error: The **Parent Teacher consultation** in March is on Tuesday 2nd and Thursday 4th, not 17th/19th as published in last week's newsletter. Apologies.

To enable a **cooking club** to run after school, we urgently need more parents to help out. If you are able to assist with this please leave a note in the Office for Mrs Julie Anthony and she will contact you.

Enhanced Healthy Schools - **Healthy Lifestyle Week** Monday 19th - Friday 23rd October 2009

Our school achieved National Healthy School Status during 2007 and we now need to embark on the next stage of enhanced Healthy Schools. To launch our work in school we shall be having a theme week with lots of exciting activities based around healthy eating and promoting physical activity. We will follow this up later in the year with a second Healthy Lifestyle week focusing on emotional health and well-being and drug, alcohol and tobacco education.

We are looking for volunteers to come into school and share their hidden talents with the children. If you feel you have something to offer within any aspect of healthy eating or physical activity, whether it is yoga, street dancing or a whizz with a smoothie maker we want to hear from you. Please contact Trudie Harris (Year1) or Kris Wodehouse (Acting Deputy Head)

GOVERNOR NEWS

There are some vacancies on the Governing body. If you are interested in becoming a Governor, and would like more information about this challenging and rewarding role, please contact Ken Marke on 01342 824890 or 07787197050 by 28th September.

PARENT TEACHER ASSOCIATION NEWS

The PTA would like between 1 and 3 parents from each class to act as the class representative and liaise between the class/teacher and the PTA committee. Any offers, please speak to a member of the PTA or leave your name at the Office.

MUSIC NEWS

There will not be any string-a-me-jig next Tuesday 22nd September. It will resume on 29th as usual.
