Thank you!

Thank you for your help with our new system for coming into school in the mornings. It has had a huge impact on the start of the day for the children. They now come into the classroom with a calm attitude ready to start their learning.

Will Elm and Birch Class be able to take up the challenge of creating their own Medieval Banquet? Find out soon...

End of Term 1

Welcome to the start of a new school year, especially to those families who have recently joined our school. We hope you have had a warm welcome and your children are happily settling into their new classes with confidence.

We have had a very pleasing start to the school year, which shows great promise for the coming months! The children have been busy getting to know everyone in their new class and making new friends. They especially enjoyed the Circus Workshop and had great fun trying out new challenges from spinning plates to walking the tight rope!

Thank you so much for your support in making a 'Marvellous Me Box' during the summer holidays. The children have really enjoyed sharing them with their friends and we have learnt some interesting facts about each other which we might never have known if you hadn't taken such care and time preparing them.

The purpose of this newsletter is to keep you informed of any up and coming events at school and also to keep you updated on particular topics that we are covering during the term so that we can work together and help your child to succeed.
