

## CHESS AT FOREST ROW SCHOOL

Your child has expressed an interest in chess club.

Chess is a challenging pastime which develops logical thinking, concentration, forward planning and self control. Success at chess often helps the development of personal confidence which has been shown to enhance achievement in basic school subjects.

In the chess club, this term, the children will learn how to develop their pieces, carry on with elementary tactics and there will be more learning of checkmates and endgames. There will be the opportunity to take some awards and there will a number of events this term namely, the U8 U9 and U11 Sussex championships, another tournament and hopefully some matches against other schools. Beginners and novices are also welcome and will be taught how to play and taught some of the rudiments of the game.

Lessons will take place on Thursday 3:30 p.m.-4:30 p.m. There are 10 sessions this term, for which the fee is £40. To cease training, a half term's notice, in writing, is required, to take effect at the end of any given term. If you would like your child to take chess training, fill in the form below and send it to the school secretary, enclosing a cheque made out to Gareth Anthony.

The next lesson is on Thursday 29th September, 2011.

-----  
I would like my child to take chess training, I enclose a cheque for £40 made payable to Gareth Anthony.
