"The Splash!"

Ian Allison – Headteacher

13th November 2009

SCHOOL NEWS

'Walk for Water' which you will remember was our Harvest Appeal raised £519.47. Well done everyone!

The school individual **photographs** are in and you should have got your envelope today. Inside is an order form for photographic products you may wish to order. Please do not remove the small photo on the front – this is needed to identify your child. Forms and money must be handed in to your child's teacher by Tuesday 24th November latest. Cheques to be made to Tempest Photography please.

On Thursday 26th Nov 7.30 – 9pm we are holding a parents **maths workshop** evening for years 1 to 6. Parents often tell me that they don't know how to help their child with maths homework – "that it's all different from my day"!

With this Splash there is a questionnaire which will help us target the activities for this session, and a reply slip which should be returned by next Friday please. I do hope you can join us. If you would like to email topic suggestions for the evening that would be helpful too.

A reminder about **parent consultation evenings** next week on Tuesday and Thursday.

Also next week:

Scholastic book fair until Thursday. Chestnut class go swimming on Wednesday at 8.40am. No cello lessons on Tuesday. Thursday is the last day for giving your child's name to the office if they are going to start school next September.

COUNTY NEWS

Aiming High for disabled children is now offering free adventure short breaks for young people from East Sussex. Activenture, run by London Youth, organises residential adventure breaks for young people with disabilities and special needs aged 8 -18 years. Speak to Mrs Martin (SENCO) for more information if you are interested.

KITCHEN NEWS

Would children having packed lunch which includes salad, yoghurt etc. please bring the required cutlery too.

PTA NEWS

THANK YOU all so much for all your donations this week! We are gathering a fabulous collection to 'play' with.

We have enough tins now for our bulbs and enough candle wax....Thank you!

And thanks for offerings of orange slice making... We look forward to receiving these to make up lovely scented bags...

What's next? Next week will be used for notebook decorating, and 'Cone' Christmas tree making...we will gather greenery from a friend's garden and start decorating the smaller hearts and wreaths.

Needed this week from your garden: Seed heads, berries, small twigs of holly and ivy, pine cones... also needed nuts (the natural kind with or without shell)...and please don't throw away your bunches of old roses after flowering...please ,just bunch them together and bring them in. They make lovely decorations.

Needed next week from your garden: larger fresh greenery, pine, holly and laurel.

Let me know if you have any, we will come and collect. These will be used to make the larger wreaths.

Many, many thanks to you all, Dorien Slinger tel: 01342 826635 email: dorienslinger@yahoo.co.uk

COMMUNITY NEWS

Henry Adekoya who gave the Strictly Funky Street Dance Workshop in school recently is holding a

Kids Christmas Special Workshop at Langton Green Village Hall on Monday 21st December from 12 – 3pm, for ages 9 to 12 years. "Be a part of Britain's most popular dance scene".
